

15th Annual Toys for Tots / TurningPoint Holiday Golf Tournament at Echelon Golf Club Saturday, December 10, 2022

Since 2007, the Men's Golf Association at Echelon Golf Club has hosted the Toys for Tots/TurningPoint Holiday Golf Tournament. As a member of the board for [TurningPoint Breast Cancer Rehabilitation](#), I wanted to share with you who they are and ask for your support.

TurningPoint is a 501 (C)(3) non-profit organization. The organization was founded in 2003 by a two-time breast cancer survivor who saw a need for a more individualized service than is found in most therapy/rehabilitation facilities. Instead of multiple patients being treated at once by one therapist, TurningPoint focuses on the individual needs of each patient and provides one-on-one physical and massage therapies while also offering, counseling, educational and emotional support throughout patient's breast cancer journey.

While TurningPoint receives insurance reimbursements and payments from many patients, they also turn no patients away based on their ability to pay. Because insurance reimbursements cover only a % of the total, we continue to have a funding gap to fill.

I am reaching out to you in hopes that you might be willing to help TurningPoint with a sponsorship or an auction donation for the Holiday Golf Tournament.
